

## Centenary Photography Competition

2007 will be an action-packed year for everyone involved in Scouting. To help record our Centenary year, we are running a Centenary Photography Competition. The Centenary year will be a year that creates memories for a lifetime; this competition aims to capture those memories. The competition is open to all members of the movement in Avon – young and old – and runs all year. The top prize is £100!

Each month we will select the best photograph of the month. The winner will receive a certificate, and have the photograph displayed on the county website. At the end of 2007 we will award a certificate and prize to the best photograph submitted in each category, plus an overall winner will receive a prize of **£100!**

We're looking for photographs that help to promote the **fun, challenge and adventure** of Scouting. The photographs can be from any Scouting event during 2007.

### What are the Prizes and Categories?

We will select a winner from entries submitted each month during 2007 – the winner will have their photograph displayed on the county website, and receive a winner's certificate.

At the end of the year we will award a Centenary prize, and certificate, for the best photograph in each category – the categories are for photos taken by: (a) Beaver Scout or Cub Scout, (b) Scout or Explorer Scout, (c) Scout Network or adult member.

There will also be a top prize for the best photograph submitted to the competition of £100.
