

# CENTENARY WOOD CAMP SITE

## SITE SAFETY

### Vehicles

In the interest of safety ALL vehicles must be parked in the designated parking area, leaving sufficient access for the farmer to bring a tractor and trailer across this area and through the gate into the adjacent field.

### Fires

Fires are only permitted on site with the permission of, and at the discretion of the farmer, who needs to be informed at the time of booking. There is NO woodpile on site. Care needs to be taken when collecting wood from the floor of the existing wooded area (known as Joe's Hole) and all unused wood is to be returned there. It is recommended that stout shoes are worn when collecting wood. Standing timber may not be cut.

### Waste Disposal

No pits are permitted for waste disposal. It is expected that site users will remove all rubbish from site at the end of their stay.

### Toilets

When chemical toilets are used these may only be emptied into a latrine pit in the designated area.

### Knives and Axes

All site users are reminded of The Scout Association Code of Conduct regarding the use of knives and axes.

### General

All site users are expected to act in a safe and sensible manner:

- Use good food hygiene as there are wild animals in the area
- Quiet time 2300 to 0630
- Respect the local flora and fauna

### Risk Assessments

The Leader-in-Charge is to prepare a risk assessment covering their stay on the site and satisfy themselves that adequate safety procedures are followed at all times. The risk assessment should be submitted with the booking form. **The Leader-in-Charge is reminded that THEY are responsible for their members at all times.**

Please bear in mind that:

- There is a high voltage electricity cable crossing the site at high level.
- The site is on a working farm.

### Safety

Please remember that we work under The Scout Association Child Protection Policy which is explained on the yellow card.

*"It is the policy of The Scout Association to safeguard the welfare of all members by protecting them from neglect and physical, sexual and emotional harm".*
