

County Patrol Camping Competition weekend

Woodhouse Park 23rd - 25th October 2009

One small step...

Forty years ago Neil Armstrong, a Scout, was the first person to stand on the surface of the moon. Our camp theme is based on this historical Moon Landing.

This is your opportunity to pit your Camping skills, ability and teamwork against other Scouts in the County. Or you could just camp with us for the weekend.

The following points and the attached page will give you the information you need to put your plans in place. Further detail will be supplied when we receive your application form and fees.

- ◆ The event includes two competitions. The prestigious 'Post & Press' Trophy in which points are scored for good camping standards, cooking and teamwork. Then there is the 'Tony Award' for the best 'Tenderfoot' Patrol. This is a patrol that may need some adult help over the weekend. Any team can enter the 'Post & Press' competition, but only scouts who have not taken part in this event before can enter the 'Tony Award'.
- ◆ The event fee of £15.00 per person includes a variety of activities at allocated times along with the site camping fees.
- ◆ Entry will be by Patrol on the attached application form. Cheques should be made payable to '**Avon County Scout Council**' and marked County Patrol camp on the back.
- ◆ The closing date for entries is 30th September. Applications received after this date may not be accepted.
- ◆ The total number of entries to the event is limited to 40 patrols of 6 scouts.

Further information and the forms you need for the event will be available at www.avonscouts.org.uk/patrolcampingweekend

Looking forward to meeting you at the event.

Chris Meadows ACC (Scout section)
