

## **Mission Control Regulations**

1. A patrol will be of 4 to 6 Scouts of a mixed age range with one PL and one APL.
2. Scout Leaders should issue an Event Passport to Patrol Leaders for this camp.
3. All entrants to the Tony Award must be first time entrants to the event competitions.
4. Each Patrol is required to be self sufficient for tentage, equipment and storage of food. It is advisable for an adult to attend the start and finish of the event to minimise any risk of damage to personal and troop equipment.
5. Each patrol will plan their own menus and purchase their own food. It is expected that the Saturday evening 'Competition Meal' will be prepared on site, **with predominantly fresh ingredients**. On arrival a **copy** of the Competition Meal menu must be given to the organisers for marking. You will need to keep another copy for when you cook the meal.
6. Gas cookers are acceptable throughout the weekend but using a wood fire to cook the competition meal on Saturday evening may earn you more points. If you want to use a wood fire **make sure you have an altar fire to bring with you**. If you do not have direct access to an altar fire please contact your ADC (Scouts), who may be able to put you in touch with someone who has.
7. Each Patrol will need to bring material to build a 'Lunar Transport System' (sedan chair) on site. The LTS will be marked for imagination, construction and performance. **The LTS is to be built during the camp and not be prefabricated.**
8. Boots or similar stout footwear **must** be worn when using the patrol chopping area.
9. Young People must not leave our campsite without permission from the Camp Leader.
10. All entrants are expected to help us clear and tidy the site at the end of the event. **No one** is to leave the site until they are given permission by a member of the Organising Team who can be recognised by their Green or Yellow baseball caps.
11. Scout Leaders are encouraged to join the organising team in advance and choose a specific responsibility to help us achieve a successful event. You are also welcome to join us on the weekend, camping in the allocated adult area, and to take on a role on the day. Adults are not permitted to camp amongst the Young People. Adults who book in advance will be catered for but we may ask for a small contribution.
