

ASRC -CLUB NIGHT THIRD WEDNESDAY OF THE MONTH

Avon Scout Rifle Club provides a regular session for club members to practice 0.22 small bore rifle prone target shooting. The aim is so that leaders/helpers can improve their own skills enabling them to pass these on to the Scouts, subject to the Scouts Policy, Organisation & Rules (POR) requirements and associated information sheets. There will usually be instructors & coaches on hand to offer help and assistance. It also provides an opportunity to shoot and maintain your ASRC membership.

The shoot takes place at Bristol Invicta Rifle Club, Penpole Lane, Shirehampton, Bristol, BS11 0AU between 7.00pm & 9.30pm. The Multimap location marker is just below a northerly spur on Penpole Lane, this leads to a lane where you will find the range.

Dates for 2012 - Wednesdays: - 18th Jan, (*15th Feb location to be advised*), 14 March, 18 April, 16 May, 13 June, 18 July, 15 August, 19 September, 17 October, 14 November & 19 December.

Cost to cover range fees and consumables is £4 per session.

Club jackets and slings are available.

Please note we will endeavour to keep this fee at a reasonable rate, but may have to alter the cost with out notice, due to the fluctuations in the pound and metal prices.

We look forward to seeing you and usually there will be tea & coffee to relax with while not shooting.
