

## Local Training Manager Vacancy – Kingswood District

After five successful years in the role of Local Training Manager (and many years before that as ADC Adult Training) Gill Nutt is moving on to take up a different role in Kingswood District. Therefore, there is now a vacancy for a Local Training Manager in Kingswood. A role description is attached which gives an outline of what is involved. (Handover from Gill of top class records is guaranteed!!)

Commitment to the Association's Adult Training Programme and Avon Scout County's learning provision are essential, together with willingness to support District and Group managers in their responsibility for ensuring that leaders are suitably trained for the role they are undertaking.

The Local Training Manager works principally in the District and familiarity with Kingswood, its Groups and GSLs may be an advantage. However, this is a County appointment reporting to the County Training Manager and interviews will be conducted by the County Appointments sub-Committee.

If you are interested in the position and/or would like more information please contact Rosmarie Kirwan, the County Training Manager, in the first instance.

Rosmarie Kirwan  
19 Wellington Park, Clifton, Bristol BS8 2UR
